

QHSE POLICY

We **Tafseer** are engaged in delivering Quality construction by utilizing advanced technologies and satisfy the customer expectations in terms of Quality, Safety & Timely completion.

We believe in continual improvement through leadership & teamwork and close co-ordination with our subcontractors, vendors & customers. Our Target is to remain preferred contractor with proven track record.

We are committed to demonstrate excellence in our Quality, Safety, Health & Environmental Management and Performance.

THROUGH:

- *Strive to continually improve & integrate recognized applicable good practices into our business operations.*
- *Comply with all applicable Environmental, health & Safety legislation as well as other requirements to which the organization subscribes.*
- *Provide & maintain healthy work place through operational procedures, safe systems & methods of work.*
- *The organization will set, monitor and review objectives & targets related to QHSE management and will continually improve QHSE performance.*
- *Reduce consumption of natural resources like water, Oil & energy and improve efficiency in the use of these resources.*
- *Manage waste generated from our business operations according to the principles of reduction, reuse, recycle & re-buy.*
- *Respect & resolve Health, Safety and Environmental issues of employees, clients, vendors & local community.*
- *Commit to prevent injury & ill health of workers & employees and also to prevent the pollution.*
- *Training & development of our employees.*

Our QHSE Policy will be communicated to all our Employees, Business Associates & made available to the public on request.
